Sept 5 - Gazans on a Road to Nowhere

September 5, 2025

(Below) "Yes, of course, these are evacuation leaflets dropped by drones before a ground invasion."

As long as humanity is satanically possessed, impaled on the twin pincers of Organized Jewry (Communism Left & Zionism Right), we are all on this road.

Hamdy Mig- "This is the situation now, a new displacement under bombing and gunfire, another displacement towards the unknown, no place, no shelter, no tent, displacement on foot to escape death, every time we are displaced to a place and begin to settle down we are exposed to bombing and threats.. We have no place and no safety except to leave Gaza, help me with that please.

Displacement tools" "This is the most difficult thing we suffer from in the war. Every time we are displaced we need a lot of money because we return to square one; we are displaced without taking anything with us from the necessities of life and we are forced to start buying everything again like the tent or tarpaulin and wood, and the household furnishings of bedding, blankets, utensils and clothes, because the occupation does not give us enough time to take everything, and it only allows us to leave with our bodies and a few bags, other than that we need to pay the truck fare when transporting, and many difficult details that I cannot explain with complete accuracy."

Whistleblower: Top Doctor Was Murdered Before Testifying That Covid 'Vaccines' Are 'Bioweapons'

(https://slaynews.com/news/whistleblower-top-doctor-murdered-before-testifying-covid-vaccines-bioweapons/)

A pharmaceutical industry whistleblower has spoken out to allege that a world-renowned professor, Dr. Francis Boyle, was murdered shortly before he was due to testify before a Dutch court that Covid mRNA "vaccines" were developed as deadly "bioweapons."

As Slay News previously reported, Boyle, a bioweapons expert, wrote the 1989 Biological Weapons Anti-Terrorism Act, which was passed by Congress and signed into U.S. law in 1990 by President H. W. Bush.

Boyle, who was one of the most prominent law professors in the world, declared last year that "everyone involved" in pushing Covid mRNA shots onto the public committed "crimes against humanity."

During an interview last summer, Dr. Boyle asserted that the "frankenshots" were part of a plan to conduct "medical experimentation" on humanity.

Left, Louis "Marshall" (1856-1929) was a Kuhn Loeb banker and insider. People who support Zionism should consider his words.

"Zionism is but an incident of a far reaching plan . . . it is merely a convenient peg on which to hang a powerful weapon."

The far reaching plan is a plan by which the International Financiers intend to win ultimate undisputed control of the wealth, natural resources, and man-power of the entire world by staging a charade conflict between the two branches of Jewish Freemasonry, Communism (Left) and Zionism (Right.)

The Death Of The American Dream: How The Economy Was Ruined For A Whole Generation

That's not a societal transformation. It's not an economic fluke. It's the visible outcome of an invisible strategy--one that extracted everything it could from a three-generation arc and left only illusions in its place.

They'll tell you people just choose differently now--that marriage rates fell because of changing values. But people can't choose what they can't afford. When the economic foundation for family formation disappears, cultural changes follow inevitably. That chart doesn't show us changing values or new priorities. It shows systemic breakdown, disguised for decades as freedom.

Thiel is a crypto Jew

Peter Thiel, 57, will offer his thoughts on "how his Christian faith informs his understanding of the world," including the areas of theology, history, literature and

"politics of the Antichrist" as part of a four-part lecture series at The Commonwealth Club in San Francisco, according to a flyer for the event.

Scheduled for Sept. 15, Sept. 22, Sept. 29 and Oct. 6, Thiel's lecture will explore the theological and technological dimensions of the Antichrist, drawing upon religious thinkers such as French philosopher René Girard, whom Thiel studied under at Stanford University, along with Francis Bacon, Jonathan Swift, Carl Schmitt and John Henry Newman.

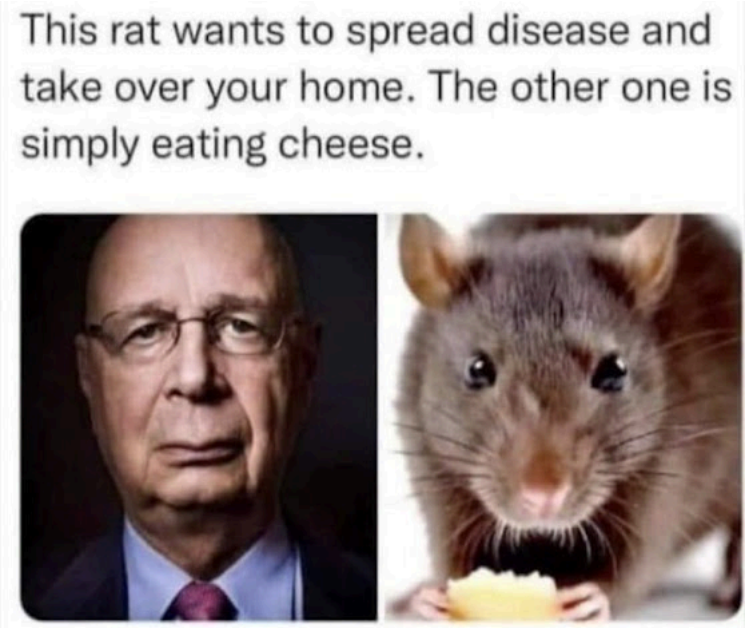
What is Communism?



(I. Klaws Swab's WEF is a front for the

Rothschild central banking cartel)

Understanding the cancer infecting

humanity

The "State" is a front for the Masonic Jewish central bankers who own its "debt."

In 1938, Illuminati insider Chaim Rakovsky told his NKVD interrogator that the bankers created the Communist state as a "machine of total power" unprecedented in history. THIS IS THE KEY QUOTE:

In the past, due to many factors, "*there was always room for individual freedom*. Do you understand that those who already partially rule over nations and worldly governments *have pretensions to absolute domination?* Understand that this is the only thing that they have not yet reached..."*The aim of Freemasonry is the triumph of Communism."*

Our corrupt ancestors gave our national credit cards to people who wish to enslave us and destroy our way of life. Cabalist (satanist, Masonic) Jewish central bankers create the *medium of exchange* (money, credit) in the form of a debt to themselves, something our governments could easily do, debt-and-interest-free. Communism is the extension of Cabalist control over government credit to *satanic control of every aspect of our lives* -- power, property, thought, behavior, movement, and expression. They used this limitless supply of our money to buy our corporations, politicians, doctors, mass media, cops, teachers, etc. in order to steal our birthright and that of our children.

"Bankers Seek Totalitarian Power" Updated from 2024

by Henry Makow, PhD

Most people think Communism is an ideology dedicated to championing workers and the poor. This was an incredibly successful ruse that manipulated millions.

Behind this artifice, "Communism" is devoted to concentrating all wealth and power in the hands of the central banking cartel (the Rothschilds and their allies) by disguising it as State power.

The central banking cartel is the ultimate monopoly. It has an almost global monopoly over government credit. Its object is to translate this into a monopoly *over everything* - political, cultural, economic, and spiritual. One world government = Rothschild monopoly = Communism.

Any ideology that further concentrates wealth and power in the hands of the "State" is Communism in another guise. These ideologies -- socialism, liberalism, fascism, neo-conservatism, Zionism, and feminism -- are fronts for "Communism," and are organized and funded by the central banking cartel. *Current events are all designed by the central bankers to increase government power.*

THE RED SYMPHONY

After *The Protocols of the Elders of Zion, "The Red Symphony"* is the finest revelation of the real state of our world.

***"The Red Symphony"* is a 1938 Stalinist Secret Police (NKVD) interrogation of Christian Rakovsky, a Soviet insider seen here with fellow Jew and Rothschild agent, Leon Trotsky.** The text is online (http://mailstar.net/red-symphony.html) or in Des Griffin, *Fourth Reich of the Rich.*

I introduced this explosive 50-page (https://www.henrymakow.com/000275.html) document to my readers in 2003. It strips the veil from modern history and explains the real meaning of Revolution, Communism, Freemasonry, and War. It was not intended to become public knowledge. The translator, Dr. J. Landowsky, made an unauthorized copy.

The human experiment is endangered by private interests that have usurped the function of money creation everywhere.

Modern history reflects the gradual process by which they transfer all wealth and power to themselves, destroying Western Civilization and creating a world police state. In 1938, Rakowsky

could say the whole world is controlled by the Sabbatean (Illuminati, Masonic) Jewish bankers and their allies.

In his autobiography, *My Life*, Leon Trotsky wrote: "Christian G. Rakovsky... played an active part in the inner workings of four Socialist parties-- the Bulgarian, Russian, French, and Romanian--to become eventually one of the leaders of the Soviet Federation, a founder of the Communist Internationale, President of the Ukrainian Soviet of People's Commissaries, and the diplomatic Soviet representative in England and France ..."

Rakovsky, whose real name was Chaim Rakover, was sentenced to death in Stalin's purge of the Trotskyite faction of the party. He tried to save himself by delivering a message to Stalin from the Illuminati.

In the process, Rakovsky told his interrogator that the bankers created the Communist state as a "machine of total power" unprecedented in history. In the past, due to many factors, "*there was always room for individual freedom*. Do you understand that those who already partially rule over nations and worldly governments *have pretensions to absolute domination?* Understand that this is the only thing which they have not yet reached." (emphasis mine)

A pernicious force paralyzes our national life. Rakovsky identifies it: "Imagine to yourself, if you can a small number of people having unlimited power through the possession of real wealth, and you will see they are the absolute dictators of the stock exchange and [economy]...If you have enough imagination then...you will see [their] anarchical, moral and social influence, i.e. a revolutionary one...Do you now understand?"

"...They created credit money *with a view to making its volume close to infinite.* And to give it the speed of sound....it is an abstraction, a being of thought, a figure, number, credit, faith...." (pp.245-246)

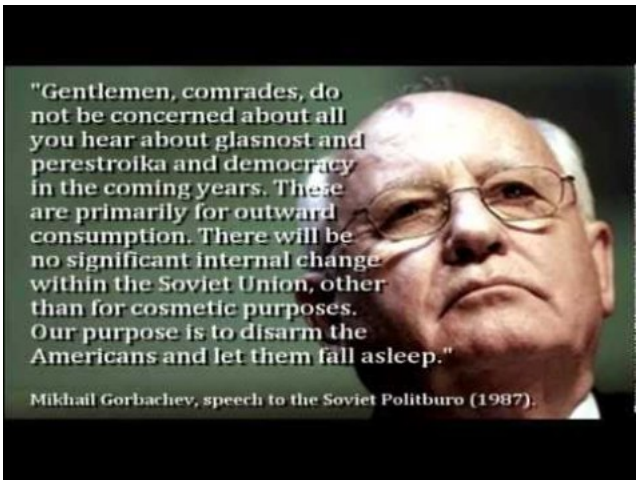
Of course, they need to protect their credit monopoly by creating a "world government." This prevents any country from issuing its own credit (money) or repudiating its debt.

MARXISM

The Revolutionary Movement, which defines modern history, was a means to institutionalize banker power by destroying the old order. Marxism, **"before being a philosophical, economic and political system, is a conspiracy for the revolution."**

Rakovsky scoffs at the "elementary Marxism...the demagogic popular one" that is used to dupe the intellectuals and the masses. (238) Marx was hired by Rothschild to dupe the masses. Rakovsky says Marx "laughs in his beard at all humanity." (Griffin, 240) Of course, Marx never mentioned the Rothschilds. (243)

As for Freemasonry: "Every Masonic organization tries to create all the required prerequisites for the triumph of the Communist revolution; this is the obvious aim of Freemasonry," says Rakovsky, a high-ranking Mason himself.



The aim of the Revolution is no less than to redefine reality in terms of the interests of the bankers. This involves the promotion of subjective truth over objective truth. If Lenin "feels something to be real" then it is real. "For him every reality, every truth was relative in the face of the sole and absolute one: the revolution."

This is Cabalism: Cabalist Jews create reality because they believe they are the conduit for God's Will. (In other words, mankind has fallen for a gigantic fraud.)

In other words, white is black and up is down. This is how it was in the Soviet Union; and now in the West, truth and justice are being replaced by political diktat. "Political correctness" a Bolshevik term is now in common usage. Thus, homosexuality which psychiatrists always considered a developmental disorder, became a "lifestyle choice" in 1973 by political diktat. Now public schools encourage heterosexual children "to experiment with their sexuality." This is unhealthy and unnatural but that's what Satanism and "revolution" are *really* about, overturning the salutary inherent order.

Rakovsky marvels that "the benches on which sat the greasy usurers to trade in their money, have now been converted into temples, which stand magnificently at every corner of contemporary big towns with their heathen colonnades, and crowds go there ...to bring assiduously their deposits of all their possessions to the god of money..."

He says the Soviet five-pointed star represents the five Rothschild brothers with their banks, who possess colossal accumulations of wealth, the greatest ever known."

Isn't it strange that Marx never mentions this fact? Rakovsky asks. Isn't it strange that during revolutions, the mobs never attack the bankers, their mansions or banks?

WAR

War is the means by which the central bankers advance their agenda. Rakovsky says Trotsky was behind the murder of Arch-Duke Ferdinand (which sparked WWI.) He recalls the phrase used by the mother of the five Rothschild brothers: "'If my sons want it, then there will be no war.' This means that they were the arbiters, the masters of peace and war, but not emperors. Are you capable of visualizing the fact of such cosmic importance? Is not war already a revolutionary function? War? The Commune. Since that time every war was a giant step towards Communism."

After the murder of [Illuminati member Weimar Foreign Minister] Walter Rathenau in 1922, the Illuminati give political or financial positions only to intermediaries, Rakowsky says. "Obviously to persons who are trustworthy and loyal, which can be guaranteed a thousand ways: thus one can assert that those bankers and politicians [in the public eye] - are only men of straw . . . even though they occupy very high places and are made to appear to be the authors of the plans which are carried out." Think Barack Obama.

In 1938, Rakovsky outlined three reasons for the upcoming Second World War. The first is that Hitler began to print his own money. "This is very serious. Much more than all the external and

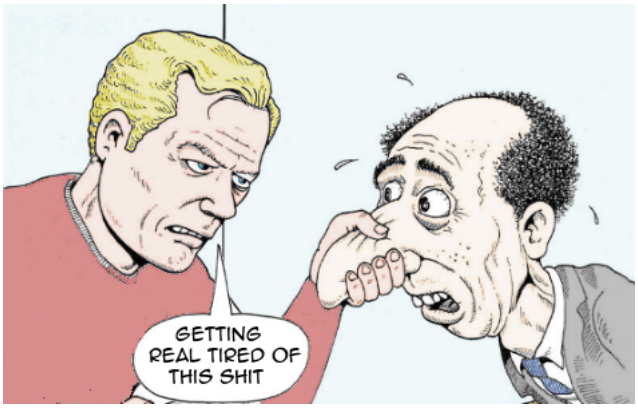
cruel factors in National-Socialism."

Secondly, the "fully developed nationalism of Western Europe is an obstacle to Marxism...the need for the destruction of nationalism is alone worth a war in Europe."

Finally, Communism cannot triumph unless it suppresses the "still living Christianity." He refers to the "permanent revolution" as dating from the birth of Christ, and the reformation as "its first partial victory" because it split Christianity. This suggests that the "conspiracy" also contains a racial or religious factor.

"In reality, Christianity is our only real enemy since all the political and economic phenomena of the Bourgeois States. Christianity controlling the individual is capable of annulling the revolutionary projection of the neutral Soviet or Atheist State."

Now the Central Bankers are promoting World War Three as in "The Clash of Civilizations." Substitute Islam for Christianity above, and pit "Christians" against them.



CONCLUSION

The New World Order creates a false reality that represents our mental enslavement. Legions of pundits, professors, and politicos enforce its precepts. These are the argent ("agents") referred to smugly in *The Protocols of the Elders of Zion*.

Society is totally subverted. Government, education, entertainment and the news media are in the hands of the central banking cartel. The private sector sings from the same songbook on subjects like "diversity." The same applies to think tanks, foundations, NGOs, professional associations, and major charities. Intelligence agencies serve the central bankers. (This article (http://www.huffingtonpost.com/2009/09/07/priceless-how-the-federal_n_278805.html) *"How the Fed Bought the Economics Profession"* is the template for all professions.)

As a result, society is helpless to address its real problem: the concentration of power in the hands of Cabala-believing bankers. We are stymied by the bogus charge of "anti-Semitism" when most Jews are ignorant of the big picture. There is no shortage of lackeys, often Freemasons and Masonic Jews, willing to share the spoils of the bankers' fraud. This defines "success" today.

Mankind is doomed as long as these bankers control society. What is the remedy? Nationalize the central banks, repudiate debts created from nothing, break up cartels, especially Hollywood and the media, and institute strict public campaign financing. In addition, we need a spiritual revival, a return to true religion, or at least an affirmation of God and a moral order.

But as long as people perceive their interests in terms of the status quo, our problems are systemic and won't go away.

FAMOUS TROTSKY QUOTE (1917):

"We must turn Russia into a desert populated by white Negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one.

"We mean the word 'red' literally because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars quake and pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall became a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence... At the moment, our young men in their leather jackets, who are the sons of watchmakers from Odessa, Orsha, Gomel and Vinnitsa, know how to hate everything Russian! What pleasure they take in physically destroying the Russian intelligentsia - officers, academics and writers!..."

First Comment by CK:

The whole world is living under communism, people don't notice now.
Under so-called capitalism, the central banks own the corporations and the corporations own the government.
Under communism, the central banks own the government and the government owns the corporations.
A friend shared with me "the bankers promote distrust among the people and they want people to trust bankers instead of each other. It's like trusting the scorpion who is poisoning every country."

Dan:

Nelson Rockefeller commissioned this Mural by Mexican Communist painter Diego Rivera during the1930s. Rockefeller himself is portrayed shoulder to shoulder with Leon Trotsky, surrounded by other famous Communists, including Karl Marx. It was originally displayed in the RCA (now GE) Building in Rockefeller Center, New York. Rockefeller had it quietly removed during the anti-Communist backlash of the House on

UnAmerican Activities Committee hearings in Congress. Today it's permanently installed an entire wall on the second floor of the Fine Arts Palace (Palacio Bellas Artes), in a corner of the Alameda Central in the Centro Historico of Mexico City.

Our issue here is communism, not communists. There is a difference.

Communists are people and fighting communists is deceptive. We can get rid of Trudeau and the other communists in our government and when we do we will feel good about ourselves and go on our merry way. But that has not solved anything.

Communism is already here in our "cradle-to-the-grave" social system. That is what we need to get rid of and that is much harder to do that fighting a few leaders. Getting rid of communism means getting rid of public education, welfare benefits, pension plans, human rights, job equity programs, etc. How many people want to do that?

I remember working in a hospital and a liberal nurse scoffing about conservatives who want to fight medical tyranny while at the same time wanting all the free stuff that communism gives. She had a point.

I have spoken with people from ex-communist countries and some of them actually loved those political eras of their countries. Why asked why, I always get this answer. "Everything was free!"

I've been saying for some time now that the elites have planned for America what they did to Russia a hundred years ago. Now I think it will be much much worse given the weaponisation of destructive mass migration, demise of nationalism and values, modern technocracy (mass media, vaccines, weather manipulation, nano, fukushima radiation), and the elites capacity for going way overboard when they think they are victorious with the last bastion of resistance. Bush was right, they hate us for our freedoms, just that he was projecting his mob's hate, both modus operandi and raison d'etre.

Greg said (March 24, 2018):

While correctly identifying the Rothschilds and their banker or financier allies as the creators and instigators of modern communism, it should not be forgotten that the Rothschilds and their allies are originally and fundamentally capitalists, who have engineered modern communism as an alternate way to mislead the masses through controlled opposition.

The Jews controlled international commerce in the Mediterranean during the time of Carthage and the early Roman Empire, and the Jews are largely responsible for the development of Western capitalism. Beginning with the Roman Empire, the European aristocracy and upper class has been thoroughly interbred with the Jews.

The proverbial â€œfree marketâ€□ has never existed as long as there have been tribes and nation-states, which control and tax commerce within their zones of influence. No â€œfree marketâ€□ could survive without the imposition of rules and restrictions by a government that can enforce those rules and restrictions, so actually, the â€œfree marketâ€□ is a utopian fantasy that probably never existed, since it could not exist without rules and restrictions.

1. The crisis actors can control the narrative and keep it on script afterward.

2. Use of both groups keeps the 'truthers' going after each other, e.g. one side points out the phony crisis actors

I have an answer regarding why the pundits do not see the truth. (And I know you already know this.) Here is a quote by Upon Sinclair: â€œâ€œIt is difficult to get a man to understand something, when his salary depends on his not understanding it.â€□

Zionist controlled syndicated radio executives sign the punditâ€™s paychecks. Full blown Communism has hit the youth of America today.

Most can only land minimum wage jobs and can barely get by even by working two of them. Many come from broken homes and attend schools with violence where they are learning little or nothing. They are taught that homosexuality and gender neutrality is normal behavior that is now socially acceptable.

God was taken out of the public school years ago and a lot of the churches are now closing one by one due to lack of participation. To them the only escape from all of this is money. Under Communism " all is money". Wealth can't be generated in a community where there is no money. Many survive on limited government assistance that leaves little or no " disposable income" left after the bills are paid.

What Americans don't understand is that this is their future also. Communism never trickles down from the top. Communism is a cancer that starts at the bottom and works it's way up. The ghettos in America are not getting smaller but are getting larger. What was once middle class neighborhoods are now ghettos.
Social and demographic independence is determined by personal wealth and most Americans have little or no net worth. The Marxist mantra of "all is money" once again comes into play.

The stock market will crash most likely sooner than later and when that happens many Americans like the poor will also lose a lot their social and financial independence. The crash won't happen until all the money that can be invested is invested and then the big heist will take place. The end game is that all money must be in control of the superstate.

James C said (March 1, 2018):

In my opinion, our being under the money power, our invasion from Third World countries, our perpetual wars, and even our feminism, are biblical curses that have come upon and overtaken us because of our collective and individual sins. There are Old Testament analogues to everyone of these things even if critics say these verses don't apply to us. What the critics ignore or deny are the facts that we are guilty of the very things referred to, and that "God is no respecter of persons" (Acts 10:34). So the curses have come upon us as predicted.

"The stranger that is within thee shall get up above thee very high; and thou shalt come down very low. He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail" (Deut. 28:43-44). I would apply this to the Federal Reserve System. "The establishment of a central bank is 90% of communizing a nation" (Vladimir Lenin).

"Clench you fist, for the land is full of bloodshed and the city full of violence. I will let in the scum of nations to take possession of their houses; I will quell the pride of the strong, and their sanctuaries shall be profaned" (Ezekiel 7:23-24). I would apply this to the open border policy of liberals and the resulting invasion by low I.Q., disease ridden, violent and sexually immoral Third World scum.

"As for my people, children are their oppressors, and women rule over them. O my people, they which lead thee cause thee to err, and destroy the way of thy paths" (Isaiah 3:12). IMO, this is clearly a reference to feminism. Notice also the completely brainwashed youth being used as advocates for gun control. David Hogg, for example.

Like it or not, all of these things apply to us.

Sept 4 - Trump Tells His Rape Victims They Suffer from "Democrat Hoax"

Mankind is satanically possessed by Organized Jewry and its rent boy Freemasonry.
We gave the Rothschild cartel our national credit cards. Criminals themselves, they support criminality in all its forms including genocide.

What Satanic Possession Looks Like:

1. Your "leader" is child sex trafficker and liar.

Trump, Epstein and Maxwell ran an international child sex trafficking and blackmail scheme for Mossad and the Royal Family. Attractive teenage girls from Eastern Europe were promised lucrative modelling careers only to be forced into prostitution. No sex. No work.

2. Your leader belongs to Chabad, a Jewish supremacist satanic cult dedicated to fulfilling "Biblical prophecy" by engineering a nuclear apocalypse in order to destroy the old order and summon the antiChrist, Lucifer. Putin and Netanyhu belong to Chabad.

3. Humanity is controlled by the the Left (Communist) and Right (Zionist) wings of Jewish Freemasonry. All nationalist leaders are forced to support the Gaza genocide in order to save a modicum of national independence.

4. World wars are started by Freemasons on both sides to destroy Christian civilization. I provide many proofs in my books but society is too juvenile and comatose to address

the evidence. People like E. Michael Jones, Michael Hoffman, Tupper Carlson and Mel Gibson --people we trusted -- refuse to face reality. Humanity is doomed.

-

Something's off with E. Michael Jones

I have always been Jones' biggest admirer, nominating him for both Pope and President (not at once, of course.)

But Grok 4 confirms that he downplays Freemasonry: "In some discussions, Jones suggests that Freemasonry's influence as a distinct threat has diminished in the modern era compared to its historical role, particularly in the 18th and 19th centuries. He argues that its "cancerous worldview" persists but is less organized as a formal institution today."

Is this why, he refuses to address my book which proves Freemasonry plays a key role in world events? Jones has produced invaluable work but I regret to say that on the issue of Freemasonry, he is a gatekeeper.

If these people (DS) are willing to daily betray the Western People already, why would they not sell out to the next stronger force to save their own skin.

As a fun example, if one is inclined to believe in space aliens invading Earth with lasers blasting, the DS would be giving them our coordinates to aim at.

And isn't this behavior centuries old? Spying, aiding and abetting for the enemy?

Thank you thank you for touching on E. Michael Jones. I can tell you I was tipped off on him by Randy Engle. About 8 years ago she wrote on him and was suspicious of his ties to Opus Dei. She sent several questions to him and to this date I do not believe he has answered. Again, it was a thing were all arrows seemed to point that way.

But...The biggest red flag on him is his absolute detestation of traditionalist Catholics. He has no empathy for them at all. Why does that matter you say? Because IF and I mean IF he is really who he portrays himself to be he would know the Jewish angle on the changing of the Mass. Whether or not you accept the traditional Catholic Mass or not it is irrelevant. The fact is that one of the legs that needed to be kicked out. There is really power there and the Jews knew that. Jones will get as far as acknowledging they changed the church teaching on the Jews.

But if you follow his postings on Facebook he really has a dislike of traditional Catholics. So your suspicion is warranted and as I previously mention Randy Engle did research on him and it was her strong opinion he was Opus Dei. If Randy suspects you can trust her. Her research is impeccable. I could go on about Jones. Yes he has produced alot of good work. But when it comes to the Catholic Church he cannot quite seem to thread the needle completely.

Mike Stone - Church Shooting was a Fake

September 3, 2025

Jessie Merkel, the father of Fletcher Merkel who was shot and killed at the Church, and friend laugh at his son's death

On the morning of August 27, 2025, a mass shooting occurred at the Church of the Annunciation in the Windom neighborhood of Minneapolis, Minnesota, United States. The attack took place during a scheduled school-wide Mass attended by the students and faculty of Annunciation Catholic School. The perpetrator killed 2 children, injured 21 other people, and then died by suicide; those injured were 18 children and 3 senior citizens.

"At Annunciation Church shooting, we have no blood, no bodies, and no surveillance video."

By Mike Stone
(henrymakow.com)

The alleged Annunciation Catholic Church shooting makes this a perfect time to review our famous **12 Telltale Signs of a Fake Shooting.** You remember them, don't you?

1) No blood, no bodies, no surveillance video.

Any of one of these three alone is a tipoff that something unreal is taking place. When you get all three together, you're definitely looking at a fake shooting.

When Nicole Brown was murdered we saw bloody corpses. At the Columbine shooting, we saw bloody corpses. We see Palestinian fathers cradling their dead and bloody, bullet-ridden daughters. **The only place we never see any blood or bodies is at a fake shooting.**

We also have surveillance video from real shootings. We saw that at Columbine.

At Annunciation Church shooting, we have no blood, no bodies, and no surveillance video.

Fake 1 Real 0

2) Fake parents played by crisis actors.

Your five-year-daughter was murdered two days ago, so what do you do? If you're a parent at one of these fake shootings, you immediately go on television, laughing and smiling. Perfectly normal behavior, right? We see it every single time.

This is one of the most telltale signs of a fake shooting. You don't have to be an actor yourself to spot the fakery, although it helps. Just pay attention to the false emotion. The endless emoting. Then take a look at people suffering real grief. The differences will astound you.

Only 24 hours after the Annunciation Church shooting, we have Jessie Merkel, the father of one the alledgedly dead victims smiling for the camera.

Fake 2 Real 0

3) Go Fund Me accounts set up within 24 hours of the event and sometimes before the event even takes place.

You hear a knock at the door. Outside stands a grim-faced police officer who tells you your five-year-old daughter was just killed in a school shooting. What would you do next? Well, if your a parent of a child at a fake shooting, you will immediately set up a Go Fund Me account so people can send you money.

You say you would never do such a thing? I believe you. No sane parent would. But at every fake shooting that is exactly what happens. In some cases, the Go Fund Me account is set up before the "shooting" even takes place.

We have not seen this yet.

Fake 2 Real 0

4) Actors playing multiple roles at the same or different events.

Another telltale sign of a hoax. Good crisis actors are hard to find. That's why you often see them playing multiple roles. The "parent" of a slain child will double as a member of a swat team, like we saw at Sandy Crook. The "mother" of a slain person will play the "mother" of another slain person. One woman has appeared at no less than five fake events.

At the Annunciation Church shooting, we have a witness claiming he held the hand of a victim that was shot in the head, and was with another victim that was shot in the neck and neither was bleeding. He sounds Gene Rosen circa 2025 https://vaticancatholic.com/mn-school-shooting-witness-says-kids-shot-in-the-head-and-neck-were-not-bleeding-must-see-video/ (https://vaticancatholic.com/mn-school-shooting-witness-says-kids-shot-in-the-head-and-neck-were-not-bleeding-must-see-video/)

Fake 3 Real 0

5) Non-stop media coverage.

24/7 coverage of a "shooting" is almost always a tipoff that it's a hoax. You never see news coverage of any real events, do you? Speaking of which ...

6) Anderson Cooper is sent out to interview the fake parents.

You never see Anderson Cooper in Chicago on a Monday morning after a weekend of gun violence, do you? No, he doesn't have time for that. In fact, he never interviews the parents of any child that was actually killed. But every time there's a fake shooting, he pops up immediately to interview the fake parents and get them to wail about gun control.

At Annunciation, we have had non-stop news coverage, but Anderson Cooper has not been sent to interview the parents.

Fake 4 Real 1

7) Evidence immediately destroyed.

Immediately after a fake shooting, there will be calls to destroy the building where it took place. Why, you ask? To destroy evidence, that's why. This includes real events as well as fake ones and goes back to 9/11 and even before then. Evidence must be destroyed to protect the guilty.

Too early for this with the Annunciation shooting.

Fake 4 Real 1

8) "Evidence" left behind at the scene.

Remember the parked car with copies of the Quran inside that were found after 9/11? Remember the pristine passport that floated down miraculously from the sky to be found among the rubble of one the three World Trade Center buildings that came down that day? Remember when every self-respecting assassin carried a copy of *The Catcher in the Rye* in his back pocket? Today there's no need for such things when all that's necessary is a fake manifesto.

Who writes a manifesto? Nobody, that's who. Only fake shooters at fake events. Along with the destruction of evidence, this also occurs at both real and fake events.

The alledged Annunciation Church shooter left behind a manifesto, which he conveniently uploaded to YouTube.

Fake 5 Real 1

9) Drills taking place at the same time or just before the event.

From 9/11 to Sandy Crook, we always have drills occurring simultaneous to fake shootings.

We haven't seen any evidence of that yet with Annunciation, but it's too early to tell.

Fake 5 Real 1

10) The alleged perpetrator immediately caught or killed.

Within minutes of a fake event - and some real ones too - the entire crime is solved and the entire life history of the alleged perpetrator is written up and splashed across the mainstream media. Details that would take days, maybe even weeks, to uncover are instantly at hand and fed to the public. Gee, it's as if the articles were written days before ...

The Annunciation shooter is conveniently dead.

Fake 6 Real 1

11) Multiple shooters at every event.

At every fake shooting, eye witnesses report seeing multiple shooters. But then, within a matter of hours, statements from those witnesses are scrubbed from the internet and never brought up again. Meanwhile, the other "shooters" are never found and the entire crime is said to have been done a "lone gunman."

At Sandy Crook there was even video footage of a "second shooter" running into the woods and getting arrested. That person was never identified or heard from again.

We do not have evidence of multiple shooters at Annunciation.

Fake 6 Real 2

12) Principles involved are former or current actors.

This is another statistical anomaly. If these fake shootings were happening in Los Angeles or New York then it might make sense that some of the people involved were actors. But the events aren't taking place in those cities.

Why is almost everyone involved with Sandy Crook a current or former actor? Why are the two principles of the Pulse Nightclub event an actor and a game show contestant? Why is the fake Pizzagate shooter an actor? Why is the main face of the Parkland hoax a person who worked on air for CNN?

At this time, we do not have evidence that the people involved with Annunciation are actors.

Final Score: FAKE 6 Real 3

It's OK to be a Woman!

September 2, 2025

(Photo Credit: Flickr, Konstantin Sutyagin)

"Feminism has destroyed the things you most want, namely love, courtship, marriage and children."

There are no two ways about it: We are under satanic attack. (https://www.henrymakow.com/2019/04/Ten-Ways-We-Are-Enslaved%20.html)
Church burnings and bombings are just the external manifestations.
Feminism is psychological subversion. It convinces women to be sexually promiscuous instead of consecrating themselves for husband and family.

The movement to "liberate" women has destroyed femininity and made real women rarer than hen's teeth.

Sexual intercourse is the most intimate a man and woman can be. It should only happen in the context of a committed loving relationship. Otherwise, it's degrading and dehumanizing. Didn't realize it? That's my point.

Sexual promiscuity has destroyed the thing we seek, REAL LOVE. Promiscuity mimics Love. It's empty and bitter like an ashtray piled with butts. Who did this to us? The Cabalist (Masonic Jewish) central bankers (https://www.savethemales.ca/001904.html?_ga=2.113771015.1802390445.1554411453-1558425200.1540673148) who "corrupt in order to control."

Why did housewife and homemaker become dirty words? (https://ionainstitute.ie/why-its-ok-to-heap-insults-on-the-hapless-housewife/) The people who cry "hate" are the true haters.

Here is an article encouraging young women to obey their feminine instincts. They are under constant psychological satanic attack. Like all of us, they can't escape it unless they know it's happening.

***"We must introduce into their education all those principles which have so brilliantly broken up their order."* Protocols of Zion 16-3**

It's OK to be a Woman!

By Henry Makow PhD.

(from April 28, 2013)

If I could talk to young women today, I would say this:

You have been betrayed by society which has gone over to the dark side.

Feminism, a lesbian and occult ideology which denies gender differences, is poison for women.
It has destroyed the things women most want and need, namely love, courtship and marriage.

Young men no longer think in terms of winning your friendship and love. They no longer need to marry or even commit to get sex.
If you don't go to bed, another girl will. No more dates. No more flowers, dinners, dances and movies.

It's booze, bed and "Good Bye."

"Women's rights" indeed.

ELITE SOCIAL ENGINEERING

Feminism was not a spontaneous, grassroots social phenomena. It was top-down elite social engineering i.e. behavior modification orchestrated using the mass media, government and education. It was wholly sponsored by the Illuminati (satanist) central bankers in order to make women have careers *instead* of families.

Film producer, the late Aaron Russo was told this by the Rockfellers. Watch this video

(https://www.youtube.com/watch?v=zCpjmvaIgNA) . The purpose is to undermine the family as the primary social institution so people will be dependent on government and corporations.

It is part of a larger plan to bring in a veiled totalitarian world government by dynamiting the four legs of our human identity: race, religion, nation and family. FEMINISM TARGETS FAMILY. The "war on terror" and 9-11 are other aspects of this elite agenda.

You are in the springtime of your life. Just as flowers blossom now, the years 18-26 are when you are at the height of your fertility and most attractive to males.
This is the time when you must marry and have children if you want to be surrounded by loved ones when you are older. We are part of a natural cycle and we can't get a raincheck from nature.

So my message is: reject casual sex. Demand courtship and love. (If you don't have a strong exclusive connection with a man before sex, he certainly won't have time for you after the challenge is gone.)

Consecrate yourself for your future husband and children. If you belong to many men, it will be hard to ever belong to one. Concentrate on prospective marriage-minded males, usually a few years older than you. Don't waste your time on boys or nomads. You want a home builder.

Do not compete with other women on the basis of sex. Let the sluts have the sex. You are looking for a permanent lifetime commitment. *Therefore cultivate the qualities and skills desirable in a wife and a mother.*

(Satanists taught us to HATE the homemaker)

Essentially this is a willingness to sacrifice for the right man. (This will make him *love you*.) And the right man is someone you admire and love, who is dedicated, trustworthy, loyal and demonstrates his love for you. It's feminine sacrifice that makes a healthy male love a woman.

Meanwhile, pursue a career as a second priority. You need to be independent in order to hold out for the right man.

I also describe the dynamics of heterosexuality, the exchange of female power for male love, here. (https://www.savethemales.ca/001822.html)

SEX IS THE SECRET RELIGION OF SECULAR SOCIETY

Sexual intercourse is the most physically intimate you can be with another person so you must be emotionally intimate first. People think they can get intimacy with physical intimacy. It doesn't work that way.

FOR EMOTIONAL INTIMACY YOU NEED TRUST, AND FOR TRUST YOU NEED COMMITMENT AND FIDELITY.

Our Cabalist society has turned sex (and romance) into mystical religious experience

and way of achieving salvation (https://www.thetruthseeker.co.uk/?p=64908) . This is because our society is secretly run by a sex cult, Freemasonry (Jewish Cabalism). (What do you think obelisks like the Washington Monument represent?)

Eckhardt Tolle was asked a question that illustrated how sex and romance have become our religion.

"I always thought that true enlightenment is not possible except through love in a relationship between a man and a woman. Isn't this what makes us whole again? How can one's life be fulfilled until that happens?"

Salvation!!?? Can you see how difficult it is to establish stable relationships if expectations are *so high?*

No wonder many men find women unapproachable. *Women hold the key to their salvation!* It doesn't help that the culture is inflating women's egos--telling them they are goddesses. Despite their beauty, young women are just as ordinary as men.

Don't think in terms of salvation. Think in terms of what kind of life you want and what your needs are. Look for a compatible person who will fulfil your needs, and vice-versa. If two people come through for each other over the course of time, they will love each other.

Put the romantic stuff on the back burner. Usually, it is based on Hollywood nonsense and idealization. People aren't perfect and not worthy of adulation. They are all flawed and the good is a reward for putting up with the bad.

In conclusion, you have been betrayed by society. Feminism is elite social engineering. Your choice is whether you want to participate in the natural life cycle, and grow and be fulfilled, or be roadkill, like your sisters, another casualty of the elite war against gender and family.

Reply From a Special Young Man:

Thanks Henry for writing a great article. I'm a 22 yr. old American guy who gets plenty of attention from women, but I wish I could pass out this article to every girl I've ever met.

Even though it would probably mean that sex would be less available for me if these women would take this article's advice. I DON"T CARE ! , As strong as my desire to have sex with pretty girls is, it doesn't compare to the desire I have to truly Love a woman. The strongest desire I have in my heart has always been to find a girl that could unleash all the love that I have in my heart.

Thankfully, it only takes one woman, and hopefully, she's reading this article right now.

New Reply from Lora:

It is ok to be a woman. It is ok to be a homemaker.

When I was young, I was what you would call today a slut. Nobody thought anything of it, nobody commented or judged. But I did get hurt and damaged by it. So desperate for someone's approval, so hungry for somebody's love, I fell in love with all the wrong men. This generation's men are mostly damaged goods too, not just women.

When I grew up, during the 80s, there was a long string of divorces by men in their 40s, who after reached the heights for their success, wanted a younger model. "She", the now wife of over 15 years, was frequently discarded like an old shoe, something to be embarrassed about. I noticed and so did many girls.

In your posts, you often discuss the importance of men taking leadership in a relationship. I have never ever experienced that. If I didn't do what was required and lead, nothing happened. Also, I am an intelligent, extremely well-educated woman with a wide range of interests. Most men are intimidated by it. Others just want another mother.

It is not after I became a proper Christian and after my divorce, that I heard some proper preaching or explanation about what relationships ought to be. Moreover, my father, who was at home with my mom and my sister, never ever sat me down to explain life to me. Not he or my mom talked to me what my worth is or what type of man I should be looking for, what to expect from a long term relationship and what to do when things get difficult.

Somebody else was always more important or something bad was happening. We had long-term family issues, so I just grew up, the pretty, well behaved, good girl with very good reports at school and generally good success. I wish somebody had talked to me. Would have saved me and my ex-husband a lot of grief. And maybe my fantastic kids could have their dad at home.

My now-husband, a much older man, talks to me, listens to me and explains things to me. I am 50-years-old now and we have been together for 8 years. It is with him that for the first time in my life I feel safe in a relationship. He will not leave me for some tart and he taught me how to talk things out. I learned with him how to apologise and make up. He gives me all the space I need and yet we are always together.

May the Lord forgive us women for our sins and help us how to do right by Him. May the Lord help us to forgive the hurts we have received. May the Lord deliver us from this satanic, Communist evil that has poisoned our collective minds. In Jesus Name Amen.

JJ (below) hits the nail on the head regarding the modern woman. I see this quite a bit in the workforce. Young women with college degrees who have been brain washed by the communist/feminist educators in the universites and colleges that having a career over family is the way to go. Yet in the same vein, these ladies have shredded their compasses; they have children out of wedlock only to see them looking for some guy to latch onto who will take care of them and the child that is not his. I mean these women are scrambling for that end. In one way it is sad, and yet in another way comical.

Another thing about these young women today: they are cocky, arrogant with a sense of entitlement and no sense of repercussions because of their attitudes. So sad.

Hi Henry! Excellent article and full of many truths. Thank you so very much. What is love? Here at Walk Worthy we define it as the heartfelt attitude and resulting action to be providing for and protecting God's creation in 3 ways (SEP): the Spiritual maturity, the Emotional stability, and the Physical preservation. We are, after all, body, soul, ands spirit.

Those few of us who follow the real Jesus of Nazareth (and not the American imposter of Him) know that all truth emanates from the Lord through His creation and creatures. So, the apostle Paul in the Word declares the created role for the woman:

Titus 2:3-5 Older women likewise are to be reverent in their behavior, not malicious gossips nor enslaved to much wine, teaching what is good, so that they may encourage the young women to love their husbands, to love their children, to be sensible, pure, workers at home, kind, being subject (obedient) to their own husbands (in everything legal, moral, & non-abusive), so that the word of God will not be dishonored (blasphemed).

Of course, there are women who are barren just like Bible times. But this is His way...for all time until the end of time. It's the wisdom of the ages from He who created the ages.

As an aside, there's only one word Paul uses to exhort and warn all types of hearers (older men, older women, young men, young women) in his letter here: sensible. Makes perfect sense to see how God's enemy, the devil and his army, would seek to make mankind made in His image to be full of non-sense.

Scott M said (April 24, 2019):

Feminism is not new, the garden was the launching ground. Man taken head on will fight, but if the one thing that controls man (SEX/WOMAN) can be controlled, then the man can be controlled. They use the woman to get the man to do/be what they want. As lucifer used Eve in the garden to bait Adam, so the occult uses women to destroy men, the head of the home, the provider and protector. Now that society has lost its men, it can be dominated.

JJ said (April 24, 2019):

The biggest threat to women are women. All one needs to do is listen in on a group of women talk. One woman will say, "My husband wants me to make supper at 6:00!" and all of the rest of the women will immediately tell her her husband is a male chauvanist pig whom she should divorce immediately and receive alot of money from.

Western women are ruthless having no understanding of authority or the fact that feminism has only thrived because our countries have gone into debt to world bankers. Younger women should take a look at these old hags who are bitter, overweight, stressed out and very, very alone in this world. They will die in seniors homes having spent the last twenty years alone with no one visiting them, half-demented with a foreign staff who have no love for them taking care of them. Most of them are childless and almost all of them will have had no sex with any man from the age of forty onward.

David said (June 22, 2017):

Henry, the longer I live the more convinced I become that being a good mother is a gift (much like being a brilliant musician or artist) and not determined by biology at all.

Some of the most horrific murders & abuse of children I've read about in recent years were committed by mothers against their own offspring. I've come to feel there is no such thing as a "maternal instinct" in women.

I do know women (my wife among them) who love their husbands and are tigresses in protecting & defending their children from evil, but I also see women who think a child, even though that child was once part of her body, are disposable. These are the women who seem the most susceptible to the poison of feminism.

Jim C said (June 22, 2017):

I hope that many many young women read and take to heart the message of this dayâ€™s article.

At the moment I am an old man soon to be 79. As I look back at my encounters with the women
in my life my fondest memories are those of my grandmother. Of all the others including my mother, wives, daughters, sweethearts, and girl friends she stands head and shoulders above them all.

She was old, with wrinkled skin, flabby arms, no waist, saggy breasts, fat legs, and she wore dentures with stained teeth.

And I loved her. Of all the women I have ever met I loved her the most. Why?

She made me feel special in a way the others didnâ€™t.
From my limited experience with women, my advice to all is if you want to be loved by a man
you must honestly do whatever it is to make him feel special. And Itâ€™s gotta come from your heart.

Canâ€™t fake it. It has to be real. If you donâ€™t have it, I feel sorry for you.

I loved my grandma.

Wade said (June 21, 2017):

Your articles on this subject would have been life changing for me in my youth. I am 72 and so when I was young, so were you.

I have leaned a few things over the years (by costly and painful experiences). Two divorces and a third marriage now that has lasted 20 years, but even now I know I missed the boat all my life because of a wrong attitude. This wrong attitude of mine was brought on by Hollywood and the engineering of our culture that was pervasive everywhere. You explain it well.

The incredible intensity of the brainwashing that happened to me and almost all young people as I grew up, is evident in the fact that even now I am not totally free from it. If I knew when I was 18 what I know today my life would have gone an entirely different direction. I would have been looking for a mate in an entirely different manner, with an entirely different set of priorities.

I lost my oldest son to drugs and my younger son is not yet out of the woods with the same problem. I have two daughters that have fared better, but both are damaged. This is collateral damage on the innocent to my brainwashed condition. My 2nd former wife committed suicide two years ago.

The song from Le Miserable s that ends with the line: "My life has ruined the dream I dreamed" speaks to the hearts of millions.

Keep these articles going Henry. I believe you are reaching some of the young people.

Patrick Carroll -- Satanist Genocide Began in Ireland

In his letters and speeches, "Puritan" Cromwell called himself "the English Joshua" and "the English Gideon", and called his own personal mission as being "to purify Israel". He was very strongly influenced by the "holy" rabbi Maimonides. His contemporary Marchamont Nedham wrote of Cromwell: "Beware the English Joshua".

The British Establishment has always been Cabalist, i.e. Satanic

"Catholicism had correctly decreed that most books of the Old Testament applied only to Jews and to antiquity.
Thus the interdiction of pork by Deuteronomy 14:8 applied only to Jews.
But Anglicanism showed it was covertly Judaic by applying Deuteronomy
to Irish Catholics and adopting the "British Israel" Psychopathy.
The overall impression in general is that Anglicanism was never really Christian,
but a lethal toxin best referred to as "Judeo-Anglicanism"."

by Patrick O'Carroll
(henrymakow.com)

The "Holy" Reformation in Ireland (1558-1656) is the template that "Team Antichrist" reused for all its genocide operations in the 500 years of the "Age of Antichrist".

But the single most striking aspect of the "Holy" Reformation in Ireland is that it was not Christian but Judaic.

Its death-toll of 1.2 million was very high but covered up.

By 1830, Ireland was a miserable wasteland of abject poverty which resulted from the "holy" "Judeo-Anglican" mission to chastise Ireland's "subhuman", "idolatrous" "Canaanites" in fulfillment of Deuteronomy.

Although the Continent had seen scorched-earth tactics before, they had only been used to deny an opposing army food, but never yet to attack any Christian Civilian population. It was really Anglicanism that supplied the "theological" "justification" for putting all "subhuman" Irish "Canaanites" to the sword, by order of "Judeo-Anglican" Elizabeth I, "Puritan" Cromwell, and Judeo-Freemason James VI & I:

· Elizabeth I had the first openly Rosicrucian Court featuring many Judaic Kabbalists. Catholics did not portray Elizabeth I favorably, but Anglicans portrayed her as "the English Deborah", "New Esther", "New Judith", etc. During her reign, Elizabeth I was likened to Deborah, who led the Israelites to victory over the Canaanites, the very obvious analogy being that Elizabeth I was "the English Deborah" genociding the Irish "Canaanites". This analogy served to "legitimize" her rule as Anglican Tyrant and her "holy" mission to genocide Irish Catholics. In the Book of Judges, Deborah, aided by Barak, leads the Israelites to victory over the Canaanites under Sisera. British propaganda later altered the meaning of Elizabeth I's "Deborah" motif to signify "Feminist Icon" instead.

· In his letters and speeches, "Puritan" Cromwell called himself "the English Joshua" and "the English Gideon", and called his own personal mission as being "to purify Israel". He was very strongly influenced by the "holy" rabbi Maimonides. His contemporary Marchamont Nedham wrote of Cromwell: "Beware the English Joshua".

· James VI & I was a Freemason, Rosicrucian, Kabbalist, and demonologist who styled himself "King of Israel".

Anglicanism was officially founded in 1534, when Henry VIII declared himself the Head of the Catholic Church in England, i.e. by "merely" usurping the Pope's authority. This title suggests that Henry VIII did not really view himself as a Protestant but rather as "a Catholic in England". And his "Six Articles", passed in 1539, suggest that he wanted Catholic worship in England to continue. The Judaic Toxicity of Anglicanism did not really arrive until Elizabeth I in 1558. Her "39 Articles" of Anglicanism were finalized 13 years later, in 1571, and although these "39 Articles" were overtly Christian with a Catholic leaning, Anglicanism was covertly Judaic-Diabolical because of the following facts:

1. Elizabeth I and her retinue espoused the "British Israel" Mythology that swiftly morphed to become the "British Israel" Psychopathy. Her "Judeo-Anglicanism" invented two bogus identities whereby the "righteous" British "Israelites" had the "holy" deuteronomic mission to genocide all "subhuman", "idolatrous" Irish "Canaanites". Its own website still hosts the following mendacious article in which the "British Israel" Psychopathy synopsizes its junk-science "logic" for mislabeling the Celto-Germanic Irish as "Mid-East Canaanites": https://british-israel.us/188.html.

2. Anglicanism embraced Judaism: Henry VIII enlisted the aid of rabbis to vainly argue his divorce on the basis of Leviticus. Worse still, the rabbis inordinately influenced his lackey Thomas Cranmer to force him to abolish the Real Presence of Christ in the Eucharist, AND removed Divine Grace by destroying or mitigating the wording of all sacraments (not just the Eucharist), AND abolished many of the Supernatural Realities of Catholicism.

3. The "Holy" Reformation was heavily influenced by Judaism and the "holy" rabbi Maimonides. "Judeo-Anglican" jurist John Selden wrote a lot about the Maimonides-invented Noahide "Laws" that were totally imperative to all reformers. Cromwell's political and religious interests expanded and he gradually incorporated Judaic concepts into his entire psyche. Cromwell did not implement the Noahide "Laws", but he disparaged Catholicism using the exact same language the "holy" rabbis still use today ("pure idolatry", "blasphemous", "idolatrous", etc.).

4. Elizabeth I retained an openly Rosicrucian Court, with Judaic Kabbalists and Black Magicians like John Dee.

Catholicism had correctly decreed that most books of the Old Testament applied only to Jews and to antiquity. Thus the interdiction of pork by Deuteronomy 14:8 applied only to Jews. But Anglicanism showed it was covertly Judaic by applying Deuteronomy to Irish Catholics and adopting the "British Israel" Psychopathy. The overall impression in

general is that Anglicanism was never really Christian, but a lethal toxin best referred to as "Judeo-Anglicanism".

Technically too, the "Holy" Reformation in Ireland can NOT be called "the English Inquisition" because Canterbury and London decreed: "Ask no questions, just kill all the Irish". In Ireland, the "Holy" Reformation was also the exact "opposite" compared to Continental Europe where, for instance, in the Thirty Years' War, the city of Oppenheim, in the district of Mainz-Bingen, changed hands so many times between the Catholic-Habsburg forces of Spain and the Swedish-backed forces of the German Protestant Union that historians calculated that the (fortunate) citizens of Oppenheim were permitted to change their faith no fewer than 27 times, ending up Catholic. In stark contrast, Canterbury decreed that Irish "Canaanites" were NOT entitled to convert to Anglicanism or "Puritanism". This was really the wholesale and immediate, or unquestioned, slaughter of all Irish with no options even granted.

In the four Irish Holocausts of 1558-1656, impeccable sources show that the "Holy" Reformation genocided a total of 1.2 million Irish Catholics, but Britain's talents for murder AND cover-up ensure that the internet still makes no mention of this. Keep in mind that Ireland was a very populous nation at the time, and that Ireland's 1.2 million death-toll during the "Holy" Reformation was roughly 12 percent of the total death-toll of the Thirty Years' War.

This industrial genocide was by Elizabeth I and Cromwell but, when dealing with religion or the "Holy" Reformation, British "history" books focus exclusively on the "evils" of the Spanish Inquisition or on the "evils" of various Papal Crusades. Naturally too, when discussing "Puritan" Cromwell, British "history" books focus almost entirely on the "exceedingly vital" subject of regicide, while totally ignoring the genocide of 1.2 million "subhuman" "Canaanites" in Ireland by Cromwell, Elizabeth I and James VI & I. That is because 1.2 million "subhuman" Irish do not "matter".

The Anglican Slavers did not perceive British rule as "governance" but as PUNISHMENT of these "subhuman" Irish "Canaanites". Many Anglican preachers said the PURPOSE of British rule was the chastisement detailed in Deuteronomy 28:49-51; meaning that the "holy" mission of the Anglican Slavers was to PUNISH the Irish, whom Canterbury formally labeled "subhuman Canaanites, cursed by God; and in no need of conversion":

"The Lord will bring upon you a nation from afar, and from the uttermost ends of the Earth, like an eagle that flies swiftly, whose tongue you cannot understand, a most insolent nation, that will show no regard to the ancients, nor have pity on the infant, and will devour the fruit of your cattle, and the fruits of your land: until you are destroyed, and will leave you no wheat, nor wine, nor oil, nor herds of oxen, nor flocks of sheep: until you are ruined".

Anyone analyzing Ireland in 1830 will discover a miserable wasteland of abject poverty resulting from the "holy" "Judeo-Anglican" mission to chastise all "idolatrous", "subhuman" Irish "Canaanites" in fulfillment of Deuteronomy.

Genocide in Ireland was always by the murderous English monarchy, the Freemasonic British Army, and the Malthusian British Regime. But the lethal glue cementing it all together was "Judeo-Anglicanism".

DEATH-TOLL

English "adventurer" and poet Edmund Spenser certified 450,000 Irish killed in Elizabeth I's Plantation of Munster in 1558-94, plus 25,000 Irish enslaved to the Levant and the Americas.

130,000 Irish Catholics died under Elizabeth I in the Nine Years' War (1594-1603).

40,000 Irish Catholics died under James VI & I in the Plantations of Ulster and West Leinster (1606-21).

William Petty's "Down Survey" certified that, in 1641-56, "Puritan" Cromwell genocided 618,000 Irish Catholics, and enslaved 200,000 to the Caribbean and the Americas.

All of this and more was the very template that, over 500 years, built the British Empire and its direct successor, the Talmudic "new" world order. The very same tactics are deployed in the Arab-Semitic and Gaza Holocausts today.

Mr. Carroll's article is summing up nicely where my thoughts of the old and perhaps present English/British royalty have been going lately.

I am thinking that the Crown is made up of crypto-jews and thus follow the Old Testament dictates that justify their slaughter of natives and stealing the treasures of faraway lands. Their god says they can…haha! The real beauty of it is the application of false history so we think the perp is the victim and only was defending itself.

WW1 and 2 are applications of the same but against Germany…the English could not compete, so Germany must be destroyed! How human, not divine. 80 years later and most Americans think the Allies won WW2 when it was the Bolsheviks backed by the communists in Britain and the USA (ouch!). The USA turned on Japan so our friend Stalin could concentrate on Germany and Europe. (Say it ain't so, Joe!)

So…just so we North Americans don't get too uppity, remember that the 1800s Scandinavian immigrants would call Indians, Skraelings, and this gave them the right to kill those savages if they wandered off the reservations.

Meanness went across many cultures and continents. How else can one conquer? Its been said 1/2 of Sweden's population left old Sweden for America. What that tells me is that old Sweden was a sh#thole when 1/2 of it's the population leaves. This is just more soggy stuffing from the European royalty… old ties to OT thinking.

Just say no! No more false history.

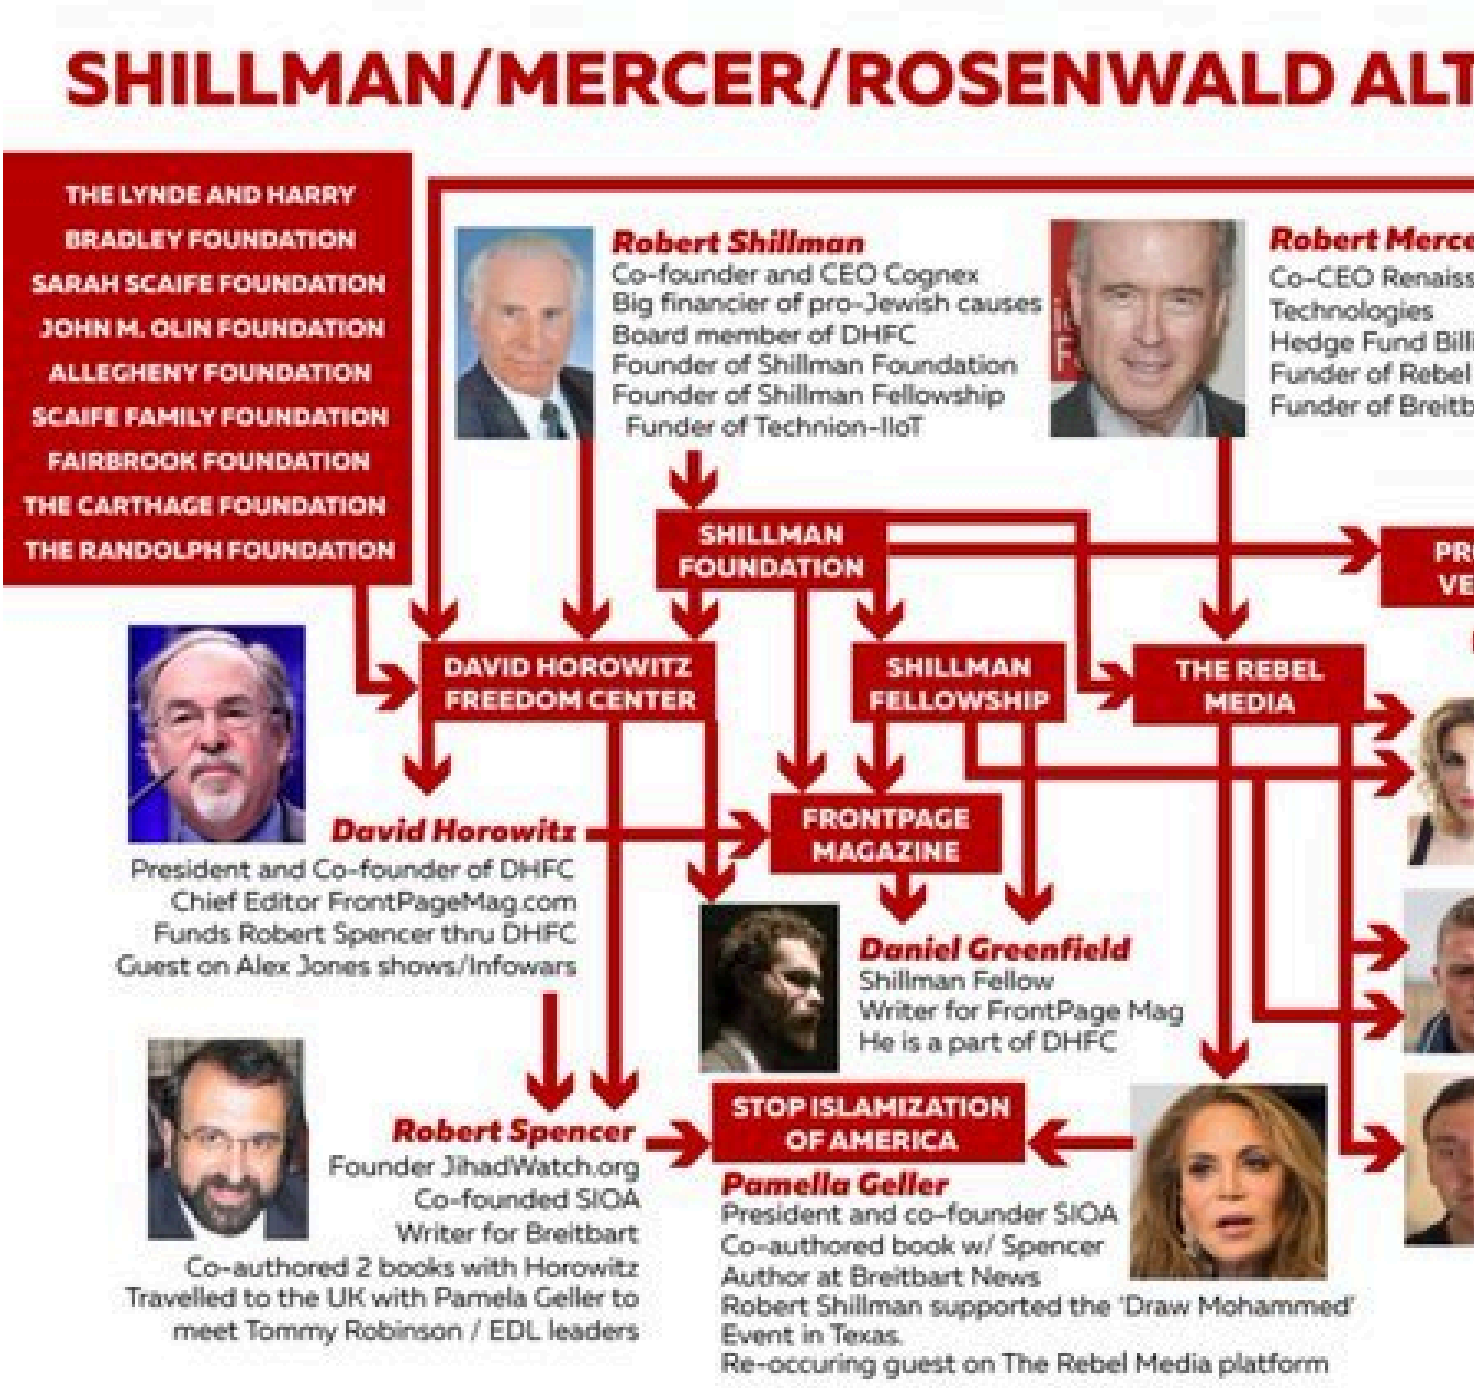
I worked as an Information Officer, in the Federal Election on April 28, 2025. I was at the - Dr Knox Ecole /School- Polling Station in Kelowna BC from 5:45 AM until 8:30 PM .

I want to put in writing what I witnessed:

1- Numerous voters , at least 50%, asked if they could use their pen, that they brought to vote. I said YES.



LATER- after the polls closed, I was then asked to, do the Tally. (Record the choice of vote on the ballot) As the Deputy Returning Officer called out the Name of The Candidate selected, I was to record it.

I noticed, None Of the ballots were in Pen. Only pencil. I know for a Fact, I sent most voters, that had a voting card, to desk # 17.

The total of votes tallied at desk #17 were the most of any other desk in the Polling Station. I asked my DRO why none were in pen. No answer offered.
These ballots were then put in an envelope and sealed. My signature is on record as I tallied the total.

2- I noticed many voters turned away that had proper ID. I talked with many to ask why they were refused as these voters were very upset and felt very concerned that they were refused. It

turned out that an ENTIRE APARTMENT BUILDING on Valley Road was missing from Elections Canada Information. Meaning none of the residents had voter cards. Without the cards they needed to provide valid ID. Without PROOF OF The Building Existing, none of the occupants could vote, even with valid Passports, Drivers Licenses, morgage docs, rental agreements, bills ect. It was mindboggling to watch these people turned away. I brought each person to the supervisor to help them vote and the Supervisor said there was nothing they could do without without Election Canada approval.

3- Election Canada was not accessible most of the day. By the afternoon, no supervisor or senior officers could get through for any verification.

4- over 60% of voters were under 35 at this location. There were a handful of 70 year old and up. This was remarkable to see such a massive amount of youth. I lost count of how many youth told me it was their 1st Time voting Federally. I asked for stickers or anything to hand out. There was nothing for 1st time voters or children attending with parents.

5-One other Information Officer informed me, his wife was working at the head of Elections Office in the Landmark Building where all the Special Ballots were. These ballots were done very early and you wrote the Candidate name on the ballot. This was done for weeks. Other specail ballots are the mobile voting and mail in votes, ect. The ballots were not precounted. I spoke with this man after the polls closed and after we tallied to ask if his wife's still counting. He said they did not finish yet and that there was approximately 20,000 ballots. STRANGE that Kelowna called out a winner without that many ballots counted.

6- Many voters spent the day going from Polling Station to Polling Station trying to vote because the Election Canada website was not working so no one could troubleshoot all these oddities with missing voters cards and locations of Polling Stations based on the address of the voters.

7- I can assure all Canadians what I saw in only 1 poll would have a difference in the outcome of this riding. When an entire apartment building is missing, that is not a simple insignificant issue . Hundreds of voters are not counted and that will change the outcome of elections.

My experience is of only 1 poll, in 1 riding, in 1 city, in BC . If it happened here I'm safe to understand it happened in other places. That is one of endless reasons that Elections Canada was not reachable or web sites working for most of the day.

Very clear interference in the Voting Of eligible Voters witnessed today.

Manitoba Needs a New

Conservative Party (https://www.facebook.com/100088442083883/posts/661887870102610/?rdid=ojfHkB0IcORnZKON)

by Larry Brandt
(henrymakow.com)

The Manitoba Progressive Conservatives are in freefall -- and it's no accident. Once a party grounded in personal freedom, fiscal responsibility, and common sense, it has abandoned its roots to chase the approval of special interest groups, lobbyists, and political insiders.

The recent leadership race was a disaster that confirmed the rot. Instead of learning from the elitist failures of the past, the party doubled down. Only 10,990 memberships were sold -- nearly half of the previous race. Just 6,750 ballots were returned. Wally Daudrich won the popular vote with 3,387 votes to Obby Khan's 3,334 -- a clear one-person, one-vote victory. But the PC establishment had already stacked the deck with a manipulated "points system," allowing Khan to seize victory by weighting small ridings heavier than large ones. In places like Steinbach, Daudrich's strong showing was diluted. Meanwhile, Khan's wins in low-turnout ridings like The Maples translated directly into points.

Even Premier Wab Kinew could see it coming. The fix was in.

The will of the membership was thrown aside in favor of what insiders wanted. The result? A deeply divided party, rapidly shrinking, financially strained, and morally compromised.

The scandals continue to pile up.

• Over $2 million in consulting contracts were quietly funneled to the PC's failed campaign manager, Marni Larkin, through daycare projects while the PCs were in government.

• The son of a major PC fundraiser was handed multimillion-dollar daycare construction contracts without competitive oversight.

• A campaign "car rental" expense turned out to be a hidden payment to a known sex coach.

• The Integrity Commissioner's pending report into the Sio Silica project looms over the party, with serious questions about attempted fast-tracking after electoral defeat.

• Now, the party's newly installed leader, Obby Khan, faces a $400,000 lawsuit from a former business partner alleging financial wrongdoing.

At the same time, the PCs -- led by figures like Khan -- are increasingly paralyzed in the face of street-level violence and campus protests where hatred toward Jews is openly displayed. They cannot -- or will not -- forcefully condemn the violent, hate-filled ideology taking root, because political Islam now lurks just beneath the surface of their new coalition.

This is no accident. Political Islam, dressed as a religion, has destabilized the Middle East and Europe -- and now it's creeping into Canada. It does not coexist with Western freedoms. It seeks to dominate them. And with figures like Khan at the forefront, the Manitoba PCs have placed themselves on the wrong side of history, unable to defend the very principles our civilization was built upon.

Unless the Manitoba Progressive Conservatives return to true conservative values -- courage, accountability, and loyalty to the people, not the elites -- they will not just lose power. They will lose their soul.

For true conservatives -- for those who still believe in protecting our freedoms, in honest leadership, and in standing unapologetically for the people -- there is a better choice: the Keystone Party of Manitoba.

The Keystone Party represents the future that the PCs abandoned: a movement built not for lobbyists or insiders, but for ordinary Manitobans who are tired of being sold out. It is the home for those who will no longer tolerate corruption, ideological drift, or moral cowardice.

If you believe in real conservatism, if you want real leadership with real accountability -- then it's time to walk away from the broken PC establishment and build something better.

It's time to come home. It's time to build Keystone.
